

# Angel Tears

4 CDs Available

Cross-cultural chill out world music. Also for meditating, yoga, exercise, and spiritual practice. An enchanted journey of sounds and voices from all corners of the globe. Bedouin dharbouka, Tibetan flutes, grand pianos, sitar, electric guitar, and Arab violins with such varied elements as African voices in traditional tribal religious ceremonies and ancient Indian hymns. The members are MOMI OCHION and SEBASTIAN JAMES TAYLOR (who also works under the name Kaya Project).

## REVIEW

ANGEL TEARS - *Way of the Mystic* and *The Dreaming*

This group gained wide exposure via the *Buddha Bar* compilation CDs and TV shows *Sex and the City*, *West Wing*, and *Third Watch* and many others. With global rhythms and exotic mixes, this group is a perfect fit with those who like Global Spirit, Medicine Drum, Waterbone, Lost at Last, and labels a la Interchill & Dakini, as well as legions of Buddha Bar fans.
